NET GENERATION TENNIS

10 & Under Tennis: Ages 5-6, 7-8

USTA's Net Generation program enables youngsters to practice and play real tennis to scale. Simple lead up activities and modified courts, nets, racquets, and balls introduce our youngest students to the skills needed to play tennis successfully. These include: Balance, movement, agility, and coordination

- Throwing with rotation, catching + hitting, and sending + receiving
- Racquet + ball control and ball tracking
- Teamwork and cooperation

10 & Under Tennis: Ages 9-10

USTA's Net Generation approach for youngsters ages 9-10 takes advantage of their improved concentration and focus as well as their physical strength, coordination, and stamina. Drills, team-building activities, and game play help them improve:

- Motor skills, fluency, and movement
- Ball approach, rotation, and follow through
- Anticipation and reaction
- Decision-making and tactics
- Stroke production and footwork
